

# SCADA Dues Payment Options

## What's New for 2023

### New Rate Schedule Effective January 1, 2023

\$4 per new vehicle sold at retail

Maximum \$2,500 (625+ vehicles sold) annually

Minimum \$1,200 (300 or less vehicles sold) annually

SCADA is working hard to offer several new options to increase efficiency when paying membership dues. New this year, we will no longer mail monthly reminder statements; instead, you will either receive the SCADA Coupon Book or an annual/semiannual invoice.

Many of our members have asked for ACH options and those will be available by February 2023.

- **Option 1:** If your Dealership currently utilizes Corpay (formerly known as Nvoicepay), please include a vendor enrollment form for SCADA to complete with your next payment.
- **Option 2:** A payment link will be added to our website that can be used to pay dues and, *for your convenience*, to pay invoices for forms.

Kindly take a moment to complete the form below and elect a method that best suits the needs of your Dealership.
